Campus Hazing Transparency Report

CERTIFICATION

In compliance with the federal Stop Campus Hazing Act, Pub. L. No. 118-173, 138 Stat. 2597 (2024), and its requirement to disclose biannually information related to hazing incidents involving student organizations.

Emma's Beauty Academy certifies that the institution does not sponsor, recognize, or host any student associations, student organizations, fraternities, or sororities on its campus.

Consequently, because no such student organizations exist within the institution, there are no hazing incidents, violations, or disciplinary actions to report under applicable hazing transparency disclosure laws during the period from January 1, 2026, through June 30, 2026.

The academy remains committed to a safe, secure, and harassment-free educational environment for all students pursuing occupational arts.

This report is published in compliance with the transparency requirements established by application law.

A handwritten signature in black ink, appearing to read 'Iris Cotto', is positioned above the printed name and title of the signatory.
